

G. O. P. HAS SWEEP HAMILTON COUNTY

CHATTANOOGA, Tenn., Nov. 2.—The tidal waves of Republicanism struck Hamilton county and the Third congressional district just as hard a blow as it seems to have inflicted on other parts of the state and the result is the election of Joe Brown for congress over Judge John A. Moon. The vote for far tabulated gives Brown a lead of about 1,500 votes in the district. One Republican, Charles Lynn, was elected in the lower house and the election of senators is still in doubt. However the odds are in favor of Bryan, Democrat.

The vote in Hamilton county with 12 precincts out of 62 to hear from is as follows: Cox, 7,817; Harding, 9,220; Roberts, 5,379; Taylor, 9,500; Moon, 7,950; Brown, 9,047. For senator: Bryan, 8,169; Brink, 8,558. For representative: Lynn, 8,532; Coleman, 8,424; Clark, 8,071; Fletcher, 7,000; Marshall, Republican, 6,837; Pyott, Republican, 7,459.

Sevier county gave the entire Democratic ticket state and national a majority of 59 votes. This is complete with the exception of one small district which will increase the majority by 19 or 12 votes.

LOOKS LIKE KLINCK IN SEVENTH DISTRICT

Without tabulation, indications were Wednesday that Jack Klinck, former city detective and later associated in the offices of Hunter Wilson, had won the race for majority in the Seventh district. There were five candidates in the running: he, C. D. Davis, county assessor, who resigned on election to the latter office.

SLERP RE-ELECTED OVER BOLLING HANDY

BRISTOL, Tenn., Nov. 3.—Representative C. B. Slerp, Republican candidate for re-election to congress in the Ninth Virginia district, defeated Bolling H. Handy, the Democratic nominee, by a majority ranging from 1,500 to 2,000, according to returns received from five counties, and partial reports from other counties. Republican leaders claim that Congressman Slerp's majority will be about 3,000.

OHIO.

COLUMBUS, O., Nov. 3.—Ohio, the home of the Democratic and Republican candidates for president, yesterday cast its vote decisively in favor of Senator Warren G. Harding, the Republican candidate. His election came on his 55th birthday.

On returns from 4,128 out of the 7,145 precincts in the state early today, Senator Harding was leading his opponents by 196,076. If this ratio continues Harding would carry his home state by approximately 339,000, the greatest plurality ever given by the Buckeye State for a congressional office. The vote from the 4,128 precincts was:

Harding, 681,109; Cox, 435,039. Former Mayor of Cleveland, continued to gain on late returns over State Auditor A. V. Donahey, Democrat, in the race for the governorship.

TEXAS RACE CLOSE.

DALLAS, Tex., Nov. 3.—Intense interest centered today in the congressional race in the Fourteenth Texas district where on the face of unofficial returns from an estimated 50 per cent of the votes cast, Harry M. Wurzbach, Republican, was leading his Democratic opponent, Carlos Bee, incumbent, by more than 2,000. Should Wurzbach maintain his lead it would be the first time in 24 years a Republican congressman has been elected in Southwest Texas.

The Democratic state ticket, according to unofficial and incomplete returns, made a clean sweep by majorities of about five to one. All Democratic congressmen also have been re-elected except in the Fourteenth district.

ALABAMA, WIFE AND TWO CHILDREN DROWN

HUNTSVILLE, Ala., Nov. 3.—Ernest White, his wife and two children, were drowned in the Tennessee river near Whitesburg, south of here today.

Socialists Voice Satisfaction Over Showing Of Debs

CHICAGO, Nov. 3.—Socialist headquarters today expressed satisfaction over the showing made by the party in its effort to elect Eugene V. Debs president, although he is serving a term in Atlanta prison for violation of the espionage act. They said reports indicated that not only had the vote been increased for the national ticket, but that in some precincts Socialist candidates run even with Republican and Democratic candidates, while in New York they had re-elected four Socialist members of the legislature who had been ousted or resigned and had added a woman member to that body.

Otto Bransetter, national secretary, last night sent a telegram to Debs estimating that the total vote for Socialists, candidate for president would be near 2,000,000.

Socialists Get Big Vote In New York

NEW YORK, Nov. 3.—By the Associated Press. A remarkable feature of the election in New York city was the Socialist vote. For Eugene V. Debs, the party's presidential candidate, now imprisoned in the Atlanta penitentiary for violation of the espionage law, were cast 131,558 votes, more than four times the Socialist candidate received here in 1916 when the vote was 31,743. Indeed, this year, Debs received more than a third as many votes as were checked up to Cox and account.

EXTENDS TAX PAY.

Seeks Liberty For 81 In Asylum When Given Own Freedom

NEW YORK, Nov. 3.—A writ of habeas corpus requiring the presentation in court of 81 inmates of Manhattan State hospital was granted yesterday by Supreme Court Justice McAvoy upon application of Louis Cohen, a lawyer, who had just been freed from the institution by the court as "sane and well balanced."

Cohen failed in an attempt to have the court pass on the cases of the men whom he said were "improperly detained and illegally committed" and are "entitled to the right of writ of habeas corpus." Their hearings were set for Nov. 23. Justice McAvoy ruling that the hospital authorities should have time to prepare themselves to meet the allegations and to be represented by the state attorneys.

HARDING'S STRENGTH IN SOUTH BIG SURPRISE

ATLANTA, Ga., Nov. 3.—A real surprise in the presidential election in the South has been furnished in Tennessee and Louisiana. While Louisiana apparently was safely Democratic, the size of the vote polled by Harding came as a distinct surprise to leaders on both sides. He carried 10 parishes, apparently an easy winner in the Third congressional district, and received majorities in eight New Orleans city precincts, mostly in the uptown residential section. His vote in New Orleans alone was 17,090 to 31,402 for Cox, or more than the total Hughes received in the entire state four years ago.

All of the other Southern states appeared today to
